19th November 2018

Dear Parent/ Guardian

We have organised an equipment training session at Go Outdoor Swansea on **Monday 3rd December**. If pupils can aim to be at the store at **5.45pm for a 6.00pm start**.

There will be a 5-10 minute introduction on how the evening will work. All participants will be able to take advantage of 15% leader’s discount on the night.

The pupils will be split into four groups and will do four 15-20min workshops in rotation. These will look at the different equipment they will need and the technology behind it. They will also look at good, better, best price ranges so that choice can be made with a budget in mind. Staff will assist with selecting sizes and fitting.

Once the workshops have finished you will have as much time as you need in store to have a look around independently and there will be plenty of staff on hand to answer any questions that you may have.

Tea, coffee and refreshments will be provided for parents

Even if your child does not need to purchase anything they do need to attend as equipment training is required as part of the expedition section.

Please could you return the slip below to the office to let us know whether you are able to attend.

Many thanks

Nicola Oulton
Duke of Edinburgh Coordinator

.....

Pupils Name.....Form.....

Yes we will be attending the training session at GO Outdoors

No we will not be attending the training session at GO Outdoors

Signed (parent/guardian).....
