Information

KS4 & KS3

Learning From Home

This booklet will give you helpful information about supporting your child as they learn from home and where you can find resources for this.

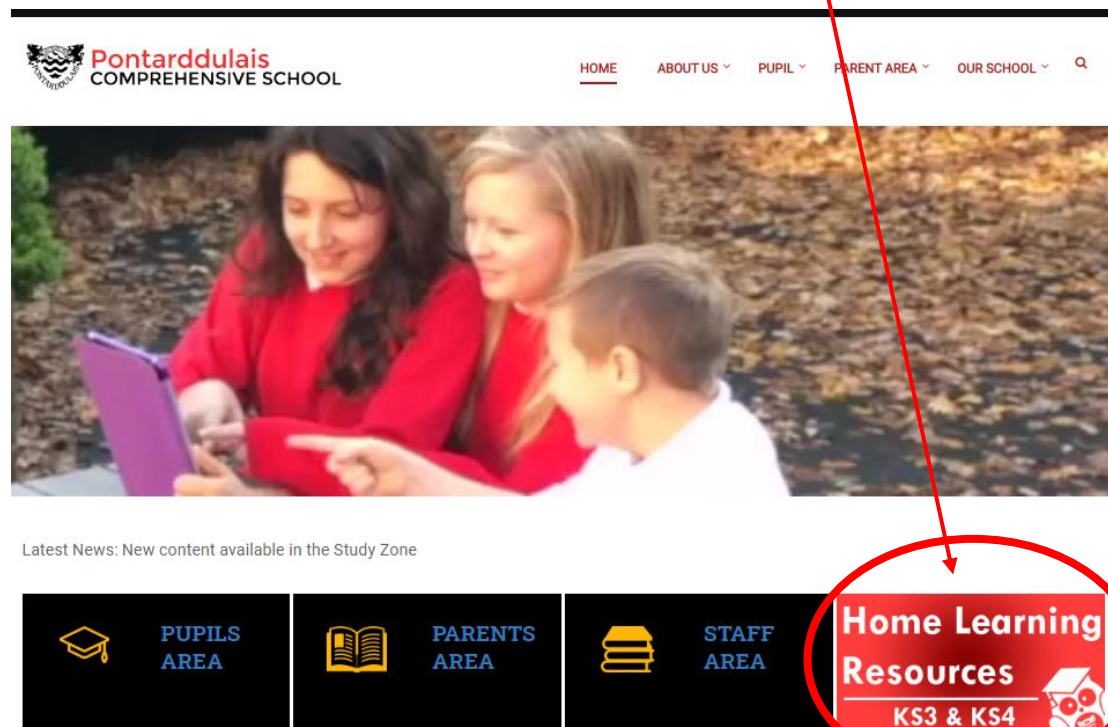

Your child can access online work through our website <https://pontcomp.co.uk/>

On here you will find KS3 and KS4 resources for all subjects.

If you are unable to access online resources, you need to contact the school to arrange paper copies.

Once work has been completed, your child can upload it or email it to their teacher for feedback. Paper based work can be returned to school for feedback.

Please keep checking the website for updated resources.

The screenshot shows the website header for Pontarddulais Comprehensive School. The navigation menu includes: HOME, ABOUT US, PUPIL, PARENT AREA, and OUR SCHOOL. Below the header is a photograph of a woman, a child, and another woman looking at a laptop. Underneath the photo is the text: "Latest News: New content available in the Study Zone". At the bottom of the page, there are three navigation buttons: "PUPILS AREA" (with a graduation cap icon), "PARENTS AREA" (with an open book icon), and "STAFF AREA" (with a stack of books icon). A red circle highlights the "Home Learning Resources" button, which also includes the text "KS3 & KS4" and a small owl icon. A red arrow points from the text "On here you will find KS3 and KS4 resources for all subjects." to this button.

KS4 Mathematics

<https://www.mymaths.co.uk/>

Each maths teacher will be setting work for their classes using the mymaths website. Pupils are advised to check this website on a weekly basis. To access the work set pupils will need their personal login details as well as the school login details.

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access maths resources online. All past papers, marking schemes, grade boundaries and revision booklets can be found here.

<http://www.jonesthesum.co.uk/>

Pupils can access a wealth of past paper by topic booklets and video solutions on this website. Pupils will need to click on GCSE Maths/Numeracy. There is also support on how to use a marking scheme and help of organising your revision.

CGP GCSE WJEC Mathematics Revision Guides and Workbooks

<https://www.wjec.co.uk/question-bank/question-search.html>

The above website allows pupils to create a topic paper through entering a keyword e.g. algebra.

The following websites are also useful GCSE resources:

<https://www.mathsdiy.com/>

<https://www.bbc.co.uk/bitesize>

KS3 Mathematics

<https://www.mymaths.co.uk/>

Each maths teacher will be setting work for their classes using the mymaths website. Pupils are advised to check this website on a weekly basis. To access the work set pupils will need their personal login details as well as the school login details.

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access maths resources online. All Key Stage 3 National Test past papers, marking schemes and video tutorials can be found here.

<https://www.bbc.co.uk/bitesize>

The bitesize website has a range of resources, which has individual resources for each topic.

<https://www.j2e.com/j2blast>

Pupils can practice their times tables through J2Blast on HWB.

KS4 English

<https://www.bbc.co.uk/bitesize/examspecs/ztjmv4j>

English Language – pupils to use the revision tests and videos to help them prepare for their GCSE English Language Unit 2 and 3.

<https://www.bbc.co.uk/bitesize/examspecs/z9gjp39>

English Literature – pupils to use the revision tests and videos to help them prepare for their GCSEs. Year 11 - English Literature Unit 2a (Heroes and An Inspector Calls)
Year 10 – English Literature Unit 1 (Of Mice and Men)

<https://moodle.pontcomp.co.uk/course/index.php?categoryid=9>

Pupils can use the 'Pontarddulais Study Zone' to access English resources online. All past papers, marking schemes and revision booklets can be found here.

Hodder GCSE English Revision Guides and Workbooks

Literature York Notes

KS3 English

<https://moodle.pontcomp.co.uk/course/index.php?categoryid=13>

As part of the National Literacy and Numeracy Framework, all KS3 pupils in Pontarddulais will be expected to do national reading tests. Pupils can use these exemplar papers to prepare for the summer tests.

<https://www.j2e.com/j2blast>

Pupils can access bespoke spelling tests through J2Blast on HWB.

KS4 Science

Specimen sample assessment materials can be found using the following link:

BBC Bitesize (content has been revised to the new WJEC specification) can be found at:

For Physics: <http://www.bbc.co.uk/education/subjects/zpm6fg8>

KS3 Science

Look at recourses and tasks in the school learning Zone.

<https://www.bbc.co.uk/bitesize>

KS4 Geography

<http://www.wjec.co.uk/qualifications/geography/r-geography-gcse-from-2016/index.html>

<http://www.bbc.co.uk/schools/gcsebitesize/geography/>

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access Geography resources online. All past papers, marking schemes, and potential exam questions can be found here.

KS3 Humanities

<https://moodle.pontcomp.co.uk>

Year 7 and 8 Humanities and year 9 Geography: You can find independent project based tasks in the school learning zone on the school website.

There are instructions and resources to accompany all tasks.

<https://www.bbc.co.uk/bitesize>

The bitesize website has a range of resources for Geography, History and RE.

KS4 History

Pupils have had hard copies of all revision materials.

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access History resources online. All past papers, marking schemes, and potential exam questions can be found here.

The following websites are also useful GCSE resources:

Unit 1 Depression War and Recovery (Year 11 only) –

https://www.wjec.co.uk/qualifications/history/r-history-gcse-2017/wjec-gcse-history-sams-unit-1-e.pdf?language_id=1

<https://www.bbc.co.uk/bitesize/topics/z3bkrwx>

Unit 2 USA: A Nation of Contrasts (Year 10 and Year 11 pupils who are resitting)-

https://www.wjec.co.uk/qualifications/history/r-history-gcse-2017/wjec-gcse-history-sams-unit-2-e.pdf?language_id=1

<https://www.bbc.co.uk/bitesize/topics/zyyc3k7>

Unit 3-Medicine Through Time (Year 11 only)-

https://www.wjec.co.uk/qualifications/history/r-history-gcse-2017/wjec-gcse-history-sams-unit-3-e.pdf?language_id=1

<https://www.bbc.co.uk/bitesize/topics/zttypbk>

KS4 NCFE Equality & Diversity

All course resources can be found in the Study Zone Humanities section found through the school website.

What you will find in each folder:

Unit 1 - Society - All lesson PowerPoints and worksheets for this unit.

Unit 2 - Community - All lesson PowerPoints and worksheets for this unit.

Unit 3 - The Workplace - All lesson PowerPoints and worksheets for this unit.

Assessment Booklets - All 3 assessment booklets can be found here plus the Unit Self Improvement sheets.

Booklets - Probably the most important folder - Here you will find all the key information you need to answer each section in your assessment booklets.

Year 10 - You should aim to start working through Unit 3 - The Workplace. You can type your answers on a Word Document clearly stating the Section and Question numbers.

Year 11 - Your folders should remain in school as evidence of what you have completed. If you have taken them home please return them if possible or contact the school. As we do not yet know the NCFE approach to this situation, you should try and complete any tasks you have not yet completed. **Particularly Unit 3 - Section 3.** You can type your answers on a Word Document clearly stating the Unit, Section and Question you are answering.

KS4 Music

Please check HWB email each day.

Year 11

All work is on HWB classes for appraisal resources. This includes play lists, set works and past papers.

Complete Composition logs, evaluation and performance programme note and e mail the teacher.

Work through revision/exam technique booklet

Year 10

Continue to practise your solo performance work (year 10)

All work is on HWB classes for appraisal resources. This includes play lists and your set work 'Rondeau'.

Work through your terminology booklet.

For extra listening resources look at BBC bitesize, HBW music resources listening tasks and WJEC music appraisal (year 11 only).

KS3 Music

Year 7,8 and year 9 (optional)

Look at recourses and tasks in the school learning Zone.

All pupils who have peripatetic lessons please continue to practise your instruments.

KS4 Food and Nutrition

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access Food and Nutrition resources online. There are a selection of past papers from the old and new specification. All the questions will still be relevant.

All past papers, marking schemes and revision booklets can be found here, along with PowerPoints of lessons.

<https://wjec.co.uk/qualifications/qualification-resources.html?subject=foodAndNutrition&level=GCSE&pastpaper=true>

The link will show course content and past papers.

The following websites are also useful GCSE resources:

<https://www.nutrition.org.uk/foodinschools/teachercentre/resources.html>

<https://www.foodafactoflife.org.uk/>

<https://www.bbc.co.uk/bitesize/subjects/zdn9jhv>

KS3 Food and Nutrition

<https://moodle.pontcomp.co.uk>

Pupils can use the Pontarddulais Study zone resources online.

<https://www.bbc.co.uk/bitesize>

The bitesize website has a range of resources which has individual resources in Food.

KS4 Product Design

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access Product design resources online. All past papers, marking schemes and revision booklets can be found here. Content will be regularly added to the Product design page.

<https://www.wjec.co.uk/qualifications/qualification-resources.html?subject=DesignandTechnology&level=gcsefrom2017>

The link will show course content and past papers.

The following websites are also useful GCSE resources:

<http://www.technologystudent.com/>

<https://www.bbc.co.uk/bitesize>

KS3 Design and Technology

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access Design and Technology resources online. Keep a look out for new resources and challenges here.

<https://www.bbc.co.uk/bitesize>

The bitesize website has a range of resources which has individual resources in Design and Technology.

KS4 ICT

Please check email each day.

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access IT resources online. Keep a look out for new resources and challenges here. Year 10 pupils can still work through the revision resources as they will be taking their exam when they are in Year 11.

KS3 Digital Technology/ICT

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access IT resources online. We will be uploading resources for pupils to complete plus we will provide a range of links to other tasks online. If there's any issues, please email your teacher.

KS4 Performing Arts

Please check email each day.

All work is on our Teams page.

All resources are on Hwb

BBC bitesize Drama

KS3 Drama

Booklets for Year 8 & 9 to complete (optional)

Log into Hwb

Find class Teams page

All booklets under assignments.

BBC Bitesize Drama

KS4 Art

Year 10:

Art/ Creative area on Moodle in learning zone. <https://moodle.pontcomp.co.uk>

KS3 Art

Year 9: Art / Creative area on Moodle. All topic sheets and examples of sketch book work are there for the topic you will have chosen for your last project. Develop your work using any materials available to you including video and photography. There are guides for developing your photography on there. <https://moodle.pontcomp.co.uk>

Year 8: Portraiture is our next topic. Take photos of people, eyes, and things important to you that express who you are. You could also create a creative visual diary of your life.

Year 7: Create a piece of artwork based around the Welsh legends you have been learning about in Drama. (For example the Welsh flag and red and white dragon). You can create this in any material you like. It could be a drawing, a 3D piece of work. Your artwork might even appear on a cake you make.

KS4 French and Spanish

<https://moodle.pontcomp.co.uk>

Pupils can use the 'Pontarddulais Study Zone' to access language resources online. There are a selection of past papers from the old and new specification. All the questions will still be relevant. All past papers, marking schemes and revision booklets can be found here, along with resources to support learning for each skill section of the exam and vocabulary for each theme. Revise topic and vocabulary from your "Essential Content" files, speaking conversation booklet, your class work books and grammar books

Use www.Quizlet.com/bontmfl/ to practise topic vocabulary

Also useful are www.memrise.com and BBC Bitesize French/Spanish (choose Eduqas)

Other tips for home learning:

- Learn sentence starters for the writing and speaking including photo card vocabulary
- Practise writing 100-150 words on each topic without your book, then revise the grammar and vocabulary you didn't know to complete the writing and try it again.
- Have someone ask you the speaking questions to practise answering spontaneously.
- Practise writing and speaking different verbs in different tenses.

KS3 French and Spanish

<https://moodle.pontcomp.co.uk>

Pupils can use the Pontarddulais Study zone resources online.

There are booklets to complete for each year group. Particularly important for year 9 who have opted for a language.

Keep checking updates for more resources and answer booklets to check your work.

Some of the same work may also be available on Teams via Hwb.

www.quizlet.com/bontmfl

Use this website to practise games and quizzes to revise topic vocabulary we have done this year and learn new topics ready for next term. Pick the right year group folder and work through the different sections.

Most pupils have created a login with their hwb emails – if not you can create a new one – it's completely free!

KS4 Welsh

Year 10: Unit 1.

Year 11: Unit 2, 3 & 4. ALL UNITS ARE EXTERNAL EXAMINATIONS

Unit 1: External Exam – Listening & Speaking

Unit 2: External Exam – Speaking & Listening

Unit 3: External Exam – Reading & Writing

Unit 4: External Exam – Writing & Reading

- Themed revision booklets provided by the department
- WJEC GCSE Welsh Second language: Revision Guide Paperback by Enfys Thomas, Richard Roberts & Tina T Thomas published by Illuminate Publishing.
- WJEC Revision Welsh Second Language by Jo Knell, published by Collins.
- WJEC Revision Welsh Second Language www.collins.co.uk/ebooks.
- Sample materials provided by the WJEC and distributed by the department.
- Teaching / Learning resources found on HWB.

<https://moodle.pontcomp.co.uk>

Pupils can use the Pontarddulais Study zone resources online.

KS3 Welsh

<https://moodle.pontcomp.co.uk>

Pupils can use the Pontarddulais Study zone resources online.

<http://www.quizlet.com>

Use this website to practise games, quizzes and to revise topics.

<https://www.bbc.co.uk/bitesize>

The bitesize website has a range of resources.

Other Useful Learning Sites

Whole School Resources

Twinkl – Twinkl are offering a month's free access to parents to help with teaching resources at home.

www.twinkl.co.uk/offer and enter the code PARENTSTWINKLHELPS

Sparklebox – Sparklebox is a collection of free teaching resources aimed at primary aged pupils.

<https://www.sparklebox.co.uk/>

Hwb - Hwb have produced guidance for schools and pupils, highlighting what tools are available through the Hwb platform. This includes guides for both Office365 and G-Suite.

<https://hwb.gov.wales/distance-learning/>

YouTube – YouTube has numerous videos and channels that could be utilised for distance learning. Links to useful videos can be recorded and sent via emails, J2E tiles, etc.

<https://www.youtube.com/>

Office365– Office365 has many tools that can be used for distance learning. Office365 can be accessed by any device that has internet access including mobile and gaming devices A few of the more useful tools are:

Microsoft OneDrive - Microsoft OneDrive allows the user to access files from anywhere there is an internet connection.

Microsoft Outlook – Microsoft Outlook is an email client that all hwb users have access too. It is encouraged that pupils are able to access their emails and use it as a communication tool.

Microsoft Teams – Microsoft teams delivers a platform for collaboration and communication. Classes can be set up easily using the pupils Hwb credentials. Within the team/class, group conversations can be had, resources can be shared, assignments set and one to one or group calls can be made.

An example of its use can be seen here: <https://www.youtube.com/watch?v=cN5ypuZF1bl>

Microsoft Forms – Microsoft forms is an application that enables questionnaires and quizzes. This can be used to test knowledge of pupils. If multiple-choice questions are used, the application will be able to “Mark” the quiz and provide a result of the test. Links to the forms can be sent to the pupils.

A video of how to create a quiz can be seen here:

<https://www.youtube.com/watch?v=4lsGxoezzZA>

Google G-Suite – G-Suite is a set of tools similar to Office365. Some of the main tools for distance learning are:

Google Classroom – Google classroom is a tool similar to Microsoft Teams that allows communication and collaboration. Classes can be set up easily via Hwb. Within the team/class, group conversations can be had, resources can be shared and assignments set.

A video of how to set up a classroom can be seen here: <https://youtu.be/GIN-EtPa0lw>

Google Meet – Google Meet is a Video Call tool similar to skype. Can be used for multiple users.

Google Forms – Google forms can be used in a similar way to Microsoft Forms

Just2Easy – Just2Easy is a collection of tools again similar to Office365, designed specifically for schools. Most pupils in Swansea will familiar with the tool set that allows pupils to access classwork at home. Some tools that maybe useful are:

J2Blast – A Bilingual online Spelling and Times tables Tests. These can be played by the pupils on their own or in a competition setting. Personalised Wordlists can be added for the spelling tests.

J2Code – A setting of computational thinking tools that pupils can access on their own, with online lesson plans to guide.

FlipGrid - Flipgrid is a Hwb based application that allows a simple way to have short video-based discussions on classroom topics. This is a quick guide <https://static.flipgrid.com/docs/Flipgrid-Remote-Learning.pdf>

Kahoot – Kahoot is a game based learning platform, where teachers can set quiz-like questions and tasks. Kahoot are offering premium access at present. <https://kahoot.com/access-kahoot-premium-for-free/>

Quizlet - Quizlet makes simple learning tools that let you study anything with flashcards, games and learning tools. <https://quizlet.com/en-gb>

Teachers Toolkit – Teacher toolkit is a collection of resources that could be helpful. Here is a useful blog post “47 Ideas: How To Teach Online” <https://www.teachertoolkit.co.uk/2020/03/15/how-to-teach-online/>

Khan Academy - Especially good for maths and computing for all ages but other subjects at Secondary level. Note this uses the U.S. grade system but it's mostly common material. <https://www.khanacademy.org>

BBC Learning - This site is old and no longer updated and yet there is much still available, from language learning to BBC Bitesize for revision. No TV licence required except for content on BBC iPlayer. <http://www.bbc.co.uk/learning/coursesearch/>

Futurelearn - Free to access 100s of courses, only pay to upgrade if you need a certificate in your name (own account from age 14+ but younger learners can use a parent account).

<https://www.futurelearn.com>

Seneca - For those revising at GCSE or A level. Tons of free revision content. Paid access to higher level material. <https://www.senecalearning.com>

Ted Ed - All sorts of engaging educational videos. <https://ed.ted.com>

The Kids Should See This - Wide range of cool educational videos. <https://thekidshouldseethis.com>

Crash Course - You Tube videos on many subjects - <https://thecrashcourse.com>

Crash Course Kids - As above for a younger audience -

<https://m.youtube.com/user/crashcoursekids>
