13th March 2020

Dear Parent/Guardian,

Due to the uncertainty of how school will be affected over the coming weeks the Year 10 Revision Open Evening will now be brought forward to **Tuesday 17th March** from Wednesday 25th March commencing at 4.00pm, we estimate the session will finish around 5.20pm. Apologies for the short notice however, I am sure you will understand the reasons behind the change of date.

The purpose of the session is to give you an understanding and technical knowledge of how to support your child through the upcoming revision period prior to their GCSE examinations this summer.

The session will consist of a presentation plus practical sessions where you will be shown how to access crucial revision materials online including resources on Hwb and Moodle Study Zone. This will support your child to learn more effectively and independently at home. In order to gain the most benefit from the evening please bring your child along with their Hwb and Moodle Study Zone login details.

We believe this session will have a significant positive impact upon your child's GCSE results. Thank you in anticipation for your ongoing support.

Yours faithfully,

Mr. G. Rees
Headteacher
